- 1) I am sick and tired of my parishioners frequenting the services at the St. Joseph Negro church with that Colored priest. I told that Father Tolton that he is expected to minister only to the Negroes and that he should tell the white people to stay out of St. Joseph Church. They should keep their distance from that nigger priest.
  
- 2) We are the party that ensures white superiority in our country. We must maintain Colored economic instability in our society. We will not sympathize ever, with white carpetbaggers or scalawags who help the Negro. This is a time for the purification of our society for the good of all. We must use our skills and cunning to protect our kind. Remember, no Negro is welcome. None. If violence need be used, then let it be.

**Thanks again for taking the time to prepare these pieces. We pray that it will be a contemplative spiritual experience for you to perform them for this audition.**
