- 1) I desire very much to help the poor Indian and Colored peoples of this country who are in such need of being loved. This is my path. Not all will agree, but we must answer the call of God. It is a lesson we all need - to let alone the things that do not concern us. He has other ways for others to follow Him; all do not go by the same path. It is for each of us to learn the path by which He requires us to follow Him, and to follow Him in that path.

**Thanks again for taking the time to prepare these pieces. We pray that it will be a contemplative spiritual experience for you to perform them for this audition.**
